SECTION I. CLASSIFICATIONS: Employees represented by the exclusive representative herein shall be employed in classifications, namely: A11, A12, A13, B21 and B22. Transfers from one classification to another classification may be made with mutual agreement between the employee and the District.

The rates of pay within classifications listed shall be itemized by the schedule attached hereto as an addendum, and increases in pay shall result from movement from step to stem within the classification. Salary step increases are not automatic in a negotiation year and will not be paid until said negotiations are complete.

SECTION II. RATES OF PAY: The rates of pay within a classification shall be part of this Agreement for a period commencing on July 1, 2016, to June 30, 2019. Employees shall be raised to the next step on July 1 of each year, however, employees shall not be raised to the next step during a negotiations year until said negotiations are complete and employees must have begun employment prior to March 1 of the preceding year in order to be eligible for the step increase. The District shall endeavor to place entering employees no higher than step three of their classification.

SECTION III. ADVANCING IN CLASSIFICATION: Employees transferred from one classification to another higher classification as provided in Section I of this article shall move to the same step presently occupied within the classification to which such employee is transferred.

SECTION IV. STANDARD METHOD OF PAY: Effective July 1st, 2017 employees shall be paid twice monthly, based on the number of hours worked and time submitted in the preceding payroll period. As an example, hours worked from September 1st until September 15th shall be paid on September 30th. Employees that are scheduled to work five or more hours per day may elect to have their annual salary paid over 24 checks by submitting a written request to the payroll office by August 1st. This election shall remain in effect until further notice is received.

Each employee's pay shall be deposited electronically in any Automated Clearing House (ACH) bank in the United States of America. Sheltered annuities are open three times a year, on October 1, April 1, and July 1; the payroll department must be informed by October 1, April 1, or July 1 if an educational assistant wishes to obtain a sheltered annuity, or add to or separate from such annuity.

With signed authorization from the educational assistant, the district will withhold NEA PAC in 24 equal payments.

SECTION V. CHANGE OF CLASSIFICATION PROCEDURES: If the employee should determine that the classification of a job no longer describes the requirements of the position, the employee shall write a letter requesting a reclassification, explaining how the job has changed or why the classification is not appropriate.

The request shall be presented directly to the Director of Human Resources who shall reply in writing to the employee within thirty days. The decision may be appealed to the superintendent of schools.

SECTION VI. SUBSTITUTE EDUCATIONAL ASSISTANT: A substitute employed to fill in for any educational assistant will be paid at a rate not to exceed the starting rate of pay in the classification for which she/he is substituting for the first ten consecutive days and thereafter will be placed on step one of the classification for which they are substituting. When a regularly-employed bargaining unit employee extends her/his day by substituting for another bargaining unit employee, said employee shall receive her/his regular wages.

When a regularly-employed bargaining unit employee substitutes for another bargaining unit employee, said employee shall receive her/his own wages provided that band, grade, and sub-grade of the job are the same. If band, grade, or sub-grade are different, the unit employee who is substituting will receive the wages of her/his own step in the classification being worked.

SECTION VII: MUTUAL AGREEMENT COMPENSATION TIME: Employees shall not be requested or required to take time off for overtime worked or to be worked; however, employees may request and receive at the discretion of their supervisor, time off as a method of paying for overtime hours to a maximum of 80 hours. Compensation time shall be at the appropriate overtime rate at which it was earned. Compensation time off may be taken any time during the contract period with approval of the immediate supervisor, with a maximum carryover of 20 hours to the next fiscal year.

SECTION VIII: PRE-APPROVED EXTENSIONS OF DUTY: Employees who are requested to participate in student I.E.P. meetings, extended-day field trips, or other pre-approved activities outside of their normal working hours, shall be compensated for that time at their normal hourly rate of pay, up to forty (40) hours. SECTION IX: PAY DIFFERENTIAL: A pay differential of .30 cents per hour will be paid to educational assistants who consistently assist students with feeding, feeding tubes, diapering, showering, and toileting accidents, in accordance with the student's individual educational plan (I.E.P.). Determination of an employee's eligibility for this pay differential rest solely with the school district.

ARTICLE VII: SENIORITY

SECTION I: Seniority for the purpose of the Agreement, shall be defined as follows: Continuous service in District 861 in an educational assistant (support staff) position with the date of record being the first date of employment in the District in said capacity. Movement from one classification to another does not change the seniority date. A seniority list shall be posted in each building by October 1 of each year.

SECTION II: Seniority shall terminate when an employee retires, resigns, or is discharged.

SECTION III: In the event it is determined by the School Board that it is necessary to reduce the work force, the administration will determine which position will be eliminated. Positions which have been reduced in hours but not completely eliminated do not apply to the provisions outlined in Section III, IV or V of this article. The person in the eliminated position shall then bump the junior person in her/his classification. If there is no one in the same classification junior to the person holding the position to be eliminated, she/he shall bump the junior person in the next lower classification. For example, if a B21 position is eliminated, the individual would bump first in her/his own class, and if there were no one junior to her/him in B21, then A13, A12, and finally A11. If there is no junior person in the categories involved, the individual would be placed on recall.

If a unit member bumps into a position in which she or he would be “underemployed”, the following stipulations would apply. “Underemployed” is defined as being in a lower classification, e.g., moving from a B22 position to an A13 position or any position less than B22, or having a reduction in current salary or earnings as a result of bumping or reduction in hours of current assignment.

In the event the unit member, as a result of the bump or having a reduction in hours of current assignment, becomes “underemployed”, she or he will have the following options: (1) The unit member may accept the bump to the “underemployed” position and remain immediately eligible for the first position that becomes available and for which she or he is qualified in the original classification. Or (2) the unit member may decline to bump, go on layoff and remain eligible for the first position that becomes available and for which she or he is qualified in the original classification.

Unit members facing a decision whether or not to become “underemployed” shall have one calendar week from the time they receive written notice of the pending bump to make their choice of option 1 or 2. Their choice, when made, becomes final.

The unit member on recall would be entitled to the first open position in her/his classification, and would be required to return to it upon notification. Failure to do so would mean that the employee gives up her/his recall rights and is terminated. If a position below her/his classification opens, the person on recall must be notified and would have the option to return to such position or remain on the recall list.

Whenever possible, advance notice of reassignments and reduction or alteration of hours, shall be given to unit members a minimum of two weeks prior to implementation of a change in their employment status. Two weeks advance notice shall be given for layoffs. Unit member shall provide the employer a minimum of two weeks notice prior to resignation.

SECTION IV: In the event of a reduction in force, the educational assistant who has been laid off shall be sent job opening notifications from Human Resources Office for a period of two (2) years from the time of said lay off which constitutes the time an employee is entitled to be on the recall list. The job openings mailed from the Human Resources Office refer to those classifications referred to in this Agreement.

Under no circumstances shall the employer hire from the open market while employees are on the recall list, qualified to perform the duties of a vacant position, and are ready, willing and able and have notified the district that they are available to be re-employed. Upon returning to a district position, the employee shall be placed on the same step on the salary schedule as occupied at the time of lay off and shall be given credit on the seniority list for all years worked in an educational assistant capacity in the district prior to lay off.

SECTION V: RECALL LISTING: Those educational assistants on a recall list will be put on a substitute educational assistant list to be called in case of absent educational assistants provided they are qualified to do the job.

SECTION VI: REDUCTION OF HOURS: It is understood that bus and supervision duties before and after school change on an annual basis. Such duties are assigned on an annual basis and a change in this area does not constitute a reduction of hours. A limited exception to this provision shall apply to those employees who, as of September 1, 2003, have had two consecutive years of bus or supervision duties and have maintained those hours. For those employees only, a reduction of bus and supervision duties may constitute a reduction of hours. In the event it is determined by the School Board that it is necessary to reduce the work force or work hours, the administration will determine which position(s) will be reduced in hours. The person(s) in the reduced position shall then be given the opportunity to bump a junior person in her/his classification with the same number of hours as their original position, or stay in their current position and accept the reduction. Unit members facing a decision whether or not to accept the reduction of hours or bump a junior person shall have one calendar week from the time they receive notice of the reduction. Their choice, when made, becomes final.

If an employee elects to bump a junior employee and there is no one junior in the same classification with the same number of hours as the person holding the position to be reduced, she/he shall bump the junior person in the same classification with the most similar number of hours. Administration shall transfer the

employee into a position with the original number of hours if one comes available within a twelve month period.

Employees accepting a reduction of hours shall not be considered underemployed and shall not be eligible for recall. One week advance notice shall be given for a reduction of hours. Unit member shall provide the employer a minimum of two weeks notice prior to resignation.

ARTICLE VIII: GROUP INSURANCE/INSURANCE BENEFITS

SECTION I. SELECTION OF CARRIER: The insurance carriers currently utilized by the district and the insurance policies currently in effect shall be retained throughout the duration of the current policies or until they are terminated. All employees whose regular work year is twelve (12) months per year shall earn a maximum of 120 hours of sick leave based on the formula below for each full year of service in the employment of the school district, cumulative to one hundred ninety-five (195) days. Employees who regularly work fifteen (15) hours per week or more and work at least nine (9) months per year, but less than twelve (12) months per year, shall earn an annual maximum of 96 hours of sick leave based on the formula below, cumulative to one hundred and ninety-five (195) days. If an employee uses two days or less per contract year of sick leave, he/she will receive a comp day which may be used the following year. Sick leave used by employees for an active district workers' compensation claim or used for emergency days or late starts will not disqualify an employee from receiving a comp day. The employee may, with approval of the building principal, use this day for a paid day off. If this day is not utilized, the employee shall be paid for the day at the conclusion of the school year. Employees who resign from the district and have earned this day shall be paid for the day on the final check.

An employee may use sick leave for such reasonable periods of time as may be necessary for safety leave. Safety leave may be used for assistance to the employee or assistance to the relatives described in this paragraph. For the purpose of this section, "safety leave" is leave for the purpose of providing or receiving assistance because of sexual assault, domestic abuse, or stalking. Use of sick leave under subd.5 shall be limited to 160 hours annually. Hours used under subd. 4 are reduced from hours available in subd. 5. Benefits in subd. 5. are provided pursuant to M.S. 181.9413 and shall change if changed in law.

Requests for extension of a year's leave may be granted at the discretion of the school board. The school district shall continue payment of the district's share of insurance premiums during the employee's absence not to exceed one year. An employee who is granted such leave shall notify the superintendent of schools of his/her intention to return by 30 days prior to the end of paid leave.

Subd. 10. Maternity Leave: Sick leave due to pregnancy, termination of pregnancy, or child birth may be used for the period of time determined by the attending physician. Written medical certification, provided by the attending physician, is required for sick leave due to pregnancy, termination of pregnancy, or childbirth. Failure of the employee to return shall result in termination of employment. Additional unpaid leave may be granted. See Article IX, Section IV, Child Care Leave.

Subd. 11. Unpaid Leave: An unpaid leave of absence may be granted for health reasons if recommended by the attending physician in writing and approved by the administration and school board.
