Other Attendees:	

<p><i>Our Vision:</i> A safe and inclusive community of compassionate, curious and resilient lifelong learners..</p>	<p><i>Our Mission:</i> Inspire curiosity, empower resilience, engage community.</p>
<p><i>District Belief Statements:</i></p> <ul style="list-style-type: none"> • We believe that public schools should serve and engage students, families, staff and the community. • We believe learning and teaching is maximized in a safe, respectful and inclusive environment. • We believe every individual's diversity and experience is valued. • We believe healthy relationships are crucial for the success of our schools. • We believe that every student can achieve to the best of their ability. • We believe all decisions should be focused on students and their success. 	<p><i>Core Values:</i></p> <ul style="list-style-type: none"> • Safety: Everyone's physical and emotional well-being is a priority. • Integrity: Everyone does the right thing and makes positive choices, even if it is difficult. • Inclusivity: Everyone belongs, is valued and is heard. • Equity: Everyone has the opportunities, access, information and support provided in the individual way they need it. • Respect: Everyone's differences are recognized, acknowledged and celebrated.
<p><i>Committee Purpose and Collective Commitments:</i> The purpose of the Technology Advisory Group is to serve as an advisory group in the planning, implementation and support of district instructional technology initiatives. Support advancements in technology which meet the district's strategic directions. Provide excellent educational experiences through technology. Support classroom technology integration and instructional coaching. Support district operations. Recommend strategies for innovation and improvements in technology. Support district staff through professional development opportunities.</p>	

<u>Agenda Item:</u>	<u>Person Responsible:</u>	<u>Discussion/Action:</u> <u>(Minutes)</u>
<ol style="list-style-type: none"> 1. Smartboard Update 2. Pause Periods 3. Tech Carts at Elementary (Chromebooks/ iPads) 4. Unicheck transition 5. Swank for district 	<ol style="list-style-type: none"> 1. Kevin Flies, Robbie Brown 2. Kevin Flies 3. Brandon Mehling 4. Jeremy 5. Jeremy 	<ol style="list-style-type: none"> 1. Smartboards <ol style="list-style-type: none"> a. K-2 now completed. b. Conducted walk-thrus with elementary principals to verify summer install locations. c. Goodview and Jefferson/W-K second floors will be done over summer. d. The Jefferson/W-K geothermal projects also require all new and existing Smartboards be removed from the 1st floor and basement classrooms and stored in media centers, then installed/reinstalled in August upon completion of geothermal work. e. Airtame trial units on order for secondary pilots. f. Determine locations for secondary pilots. 2. Data integration between systems such as Infinite Campus, Clever, Savvas, Amplify, Schoology, etc... will pause after the last day of school until August when 23-24 student schedules are completed. 3. What does it look like at the end of the year since schools will be inaccessible? Typically all carts to media center, same this year? Can teachers label carts and keep their cart going forward with new devices? <ol style="list-style-type: none"> a. iPads and Chromebook devices will be removed from the carts and taken to the IT department. IT staff will locate empty in the media centers. Carts will be labeled with the room number and teacher name so they can be returned to the appropriate staff member. Replacement devices will be placed in the carts prior to school starting (as soon as geothermal project work has been completed). Wiring in the carts will be cleaned up as well. 4. Considering options for renewing the existing Unicheck application for plagiarism checking. Company has renamed/rebranded their offerings. Also consideration for additional options to check documents for AI usage such as ChatGPT. 5. Discussed expanding the Swank Motion Picture subscription to include the elementary schools. Currently only used at secondary schools. This program allows for legal classroom viewing of video and motion pictures. Also possibility that Community Ed may want to participate in expanded licensing. New license options could include both elementary schools and ability to view the video

		content outside the school building (but still on school grounds) for public performances.
